## Membership matters

Consider becoming a member of AfcAS.  
Individual (\$50 per annum); Organisation (\$250)

### **Membership provides opportunity to:**

Remain abreast of changes in aged care provision, especially post-Royal Commission findings

Learn about latest innovations in culturally appropriate aged care

Share experiences across a network of providers and community groups

Access excellent, targeted training to complement accredited training

Add your personal voice as a recipient or a provider of aged care services

Engage in advocacy efforts towards culturally appropriate aged care provision

*Don't be a lone voice. The stronger our membership, the greater is our impact and our opportunity to make significant change.*
