Aged Care Services & COVID-19 Response in Japan & Australia
(Victoria & WA)

Speakers

Dr Mari Miyake (Phd) lecturer

Department of Hygiene & Public Health-Kansai Medical University, Osaka, Japan

In JAPAN, the aging of Japan is thought to outweigh all other nations with the highest proportion of elderly citizens both in rural and urban areas. Mari will share how Japan is managing COVID-19 in aged care, keeping the death rate so much lower than those of many other countries.

Irene Mooney, CEO of MYVISTA Residential Aged Care

Irene, CEO of MYVISTA since 2015, following many years in CEO and executive positions within the WA Aged Care Industry in metropolitan and rural areas. Irene will share how she has managed during the COVID-19 pandemic for the largely ethnic clients in her facility.

Henrietta Podgoska, Communications & Community Engagement Manager, Umbrella Multicultural Community Care Services

Henrietta has worked in the community sector for Culturally and Linguistically Diverse (CaLD) groups in various roles in both metropolitan and rural settings around Australia. She has served on national and state advisory groups. She will share the COVID-19 response by Umbrella.

Theresa Kwok, CEO of Chung Wah Association Community & Aged Care(CAC)

Theresa has been a key driver of the organisation for over 30 years. She has experience in the social sector and has worked with Asian and international groups. She shares some of her thoughts on managing community and aged care in the COVID-19 context.

Elizabeth Drozd, CEO of Australian Multicultural Community Services

Elizabeth has worked in community services sector and local government since 1991. She is a Board Director of Care Connect and the Chairperson of a charitable foundation for a local Rotary Club.

She was a Victorian Multicultural Commissioner from 2008 to 2015. In 2019, she was awarded a scholarship to participate in non-profit Management at the Harvard Business School in Boston, USA. She will provide a snapshot of migrant aged care during the current outbreak in Victoria.
