## SPEAKERS

### JUNIPER

Sheryl Carmody has tertiary qualifications in social work and has four decades of working in organisations in the not-for-profit sector in WA; 25 of these years in an executive role. Sheryl's main priorities at Juniper involves Aboriginal Engagement, focussing on the Kimberley region where Juniper is a major provider of aged care services. Key initiatives in the last 18 months has being progressing an Aboriginal Workforce Action Plan and locating Juniper's approach in a larger self-determination framework that respects Aboriginal leadership and community aspirations.

### MYVISTA

Irene has been MYVISTA's CEO since January 2015 and has led MYVISTA through the major \$62 million Mirrabooka development project, which was completed in July 2020. It now offers a contemporary and well regarded model for aged care. The development includes retirement living apartments, commercial tenancies (medical, physio, gym, chemist and café), a 112 place residential aged care facility over four levels as well as corporate offices all within a single site that is well integrated into the vibrant multicultural community in which it is located.

### CHUNG WAH

Theresa has work in Chung Wah for over 30 years. She has worked tirelessly to promote access and equity in migrant and aged care services in the Asian and ethnic communities. She has been the driving force and architect of Chung Wah's culturally appropriate aged care services. Always sensitive to the non-English speaking aged people and general migrants' needs, Theresa constantly reshapes and adapts existing way of

delivering person-centred aged and community care services to meet the changing demands and care needs of individual clients from the CALD communities.

## UMBRELLA

Umbrella Inc. delivers Commonwealth Home Support Program (CHSP), Home Care Packages (HCP) and Community Visitors Scheme (CVS) to over 800 clients from 67 different countries and we are also part of the Aged Care System Navigator Trials.

Additionally Umbrella Inc. has successfully delivered several community development projects to Culturally and Linguistically Diverse (CaLD) groups such as the Mobile Information and Support Van, we have representatives serving as experts on national and state advisory groups and we have maintained an active profile in local community initiatives. We are committed to, and passionate about, improving care and services for people, particularly those who are disadvantaged or facing adversity. They provide services such as At Home Care, Social Group and Activities, and Carer's Group.

Umbrella also offers a variety of job positions and volunteering opportunities to those seeking for one.
